Dear Woman's Club Sisters,

I'm trying out the new Woman's Club of Pewaukee Logo. I'll be working with a designer to get the best overall look. The final should be on our April's newsletter.

Some have asked what we plan to do with all the items that have the old logo. There are only a handful of mugs and we will use those for speakers and new members until we run out. We haven't ordered stationery in several years, and we ran out of envelopes last year. Bottom line - there should be no wasted or disposed of items due to the change. We are planning for a gentle transition.

So - on to Club events! What's ahead for all of us? Number one answer - our Spring luncheon fundraiser - "**Diamonds are a Girl's Best Friend.**" **MARK YOUR CALENDARS for Wednesday, April 21st** and invite a friend or four to join us for our only major fundraiser this year. Our entertainment will feature a live Neal Diamond Tribute Show.

We do need help with donations for our raffle, and auctions. For newer members - here is an idea that has worked well in the past. Several members have teamed up and put together a special theme basket or purchased a nice gift card. Please bring donations to the March or April meeting. They will be greatly appreciated!

This has been such a heartbreaking year. Opportunities to raise funds have been virtually non-existent. Please plan to attend and bring some family and friends. We need your support!

What else is happening? On April 10th, we have the Rolling Hills District Meeting, which will again be held at the Delafield Brewhaus. This means it's MEMBER ART CONTEST time! If you haven't already started on an item (or 2) now is the time! Entries can be brought to the March or April meeting or to my home no later than April 9th. We had a huge turnout last summer and a lot of fun.

Our final event this year is the GFWC-WI Convention, May 13-16 in Rothschild (Wausau) WI. This is a big event for Abby and for all of us as members of the State organization. More in April.

I hope you all have a wonderful St. Patrick's Day but most importantly - be safe. St. Patrick, born in 387 A.D., be with you!

Sláinte agus saol agat,
Kathleen Anne O'Mullen Novack

Irish fact - Shamrocks have only three leaves.

The name is attributed to St. Patrick as he preached about the Holy Trinity.

4-leaf clovers are not shamrocks – they’re 4-leaf clovers!

(Very commonly misused in everything!)

May the road rise to meet you,
May the wind be always at your back.
May the sun shine warm upon your face,
The rains fall soft upon your fields.
And until we meet again,
May God hold you in the palm of his hand.

This Gaelic blessing is perhaps the most frequently shared, but that must be because it is so beautiful. The road in the photo runs alongside the stone wall at my great grandparents home.
