A Monthly Newsletter for Members **February 2022**

President's Corner:

My Dear Club Sisters!

Soon temperatures will rise again and the days are already growing longer. The first migratory birds have arrived as a signal for the arrival of Spring with their vocal rituals.

We will celebrate the season of the New Green, the new opportunities for growth, by installing our new members during our February meeting.

Some of our members are preparing to participate in the GFWC-WI Winter Workshop in Waupaca on February 18th and 19th and some are joining planning committee meetings for our Spring fundraiser "Run for the Roses" on April 22nd, 2022. Make sure to get involved and get your voices heard for the various activities our club members do to make our community a better place to live in.

As always, feel free to email or call me for questions, suggestions, insights, or feedback.

Yours,

Alexandra Lerch-Gaggl
