(**Entry Form & Permission & Contact Form** can be duplicated from <https://www.gfwc-wi.org/csp-arts-culture>.)

LOCAL CLUB CONTEST:

Each club may give awards for 1st, 2nd, and 3rd place in Class A and Class B in **two** categories: **2D** (painting & drawing) and **3D** (sculpture). Honorable Mention awards are

DISTRICT CONTEST:

Local Clubs enter ONLY their 1st, 2nd, and 3rd place winners, both Class A and B, in the District Contest for judging. All artworks must be listed on the **Inventory Sheet**. Judging takes place during the Spring District meeting. The District judge/s will select winners for 1st, 2nd, and 3rd place and may also award Honorable Mentions; the number is determined by the District Chairman and the judge. Winners receive a ribbon, Award Certificate, and prize, as determined by District Policy. Artworks receiving Honorable Mention do not go to State judging but receive a ribbon and certificate award. Whenever possible, **Certificates for Participation** are given to all students whose work is submitted to the contest as a memento of the historic significance of this art contest. The District place-winning artworks proceed to the State Convention for final judging in May.

GFWC-WI STATE CONTEST:

All artworks brought to the State Contest must be accompanied by an **Inventory Sheet** clearly stating the student's name, school, title of artwork, sponsoring club, and name of person responsible to pick up and return the artwork and awards to the students at the close of the State Convention. Cash awards, ribbons, and certificates will be awarded to the winners of each class and category. The place-winning artwork will be on exhibit at the Oshkosh Public Museum where it is displayed during the summer exhibit. The Museum curator will return the artwork to the student indicated on the required **Permission & Contact Form**.

JUDGING:

One of the goals of the Helen Farnsworth Mears Art Contest is to maintain the reputation and increase the status and credibility of the contest. In turn this should encourage further participation of art teachers in schools around the state. To achieve a higher standard of judging at all three levels of the Mears Contest, Local, District, and State, the student artwork must be judged by qualified art judges. Criteria include any of the following credentials: a degree in art or art education, experience as an art educator, experience as a juried artist, experience as a working artist. It is recommended, if circumstances permit, to use two judges.

If there is difficulty in finding qualified judges, the local club's Arts or Helen Farnsworth Mears Contest chairman can contact the state chairman, who will help to find a judge in the club's area. The state chairman's name and email are found on the website:

<https://www.gfwc-wi.org/csp-arts-culture>. It is extremely important to acknowledge and respect the expertise that the art judges bring to the Helen Farnsworth Mears contest at all levels of judging. They are giving of their expertise gained through education and practice in their field. It is important to show gratitude for their service and their time spent judging the contest.

The information and forms for the Helen Farnsworth Mears Art Contest are conveniently located on the website: **<https://www.gfwc-wi.org/csp-arts-culture>**.

The **Award Certificates** can be filled out on the computer in the four designed spaces “embedded” in the certificate for the name of the student, the name of the club or district, the contest date, and the names of the judges, contest chairman, or club president; this can be done before printing the certificate.
